Tax & business advice

helping you during your career... **and beyond!**

Humphrey & Co have been established as a firm of chartered accountants for more than 80 years

We are a leading firm in advising doctors and consultants on their tax and financial affairs.

Our depth of experience and expertise means that as a busy medical professional you can feel secure in the knowledge that your business and tax affairs are being handled with your specific needs at heart.

Adopting a pragmatic and common sense approach to your professional life and tax affairs Humphrey & Co can assist you at each stage of your career from Junior Doctor through to Consultant.

what you can expect from us

Tax liabilities: how much and when to pay

With the increasing complexity of the tax regime it is essential that your Tax Return is completed correctly.

We provide an efficient service ensuring that our clients have time to plan and budget to meet their liabilities and to take advantage of tax saving opportunities.

tackling financial decisions

We are here to assist you throughout your life with your financial affairs

Examples of the typical decisions you may face on which we advise include:

Starting in private practice, growing your business and going into partnership

and...

- Tax planning & advice
- Selling your business
- Incorporation
- Trust & Estate planning
- Special situations (death/marriage/divorce)

how do we **help you** in other ways...

Keeping you up to date...

- We regularly prepare briefings for all of our medical clients on topical matters and changes in the tax system as they arise.
- We run seminars for medical professionals all over the UK helping doctors, GP's and consultants with their tax affairs and highlighting common mistakes which can lead to enquiries from HMRC.
- In the unfortunate event of an enquiry by HMRC we can deal with them directly. We offer low cost insurance to cover our fees in the event of an enquiry by HMRC.

becoming a client...

Your location will not be a problem

Whilst we are based in Eastbourne and in Brighton and Hove our partners and staff travel widely to meet clients at their home or place of business. A large number of our clients are based in the London area and further afield both inside and outside the UK.

Experience with non medical matters

As well as having experience and expertise in the medical and dental sector we have a well established reputation in many other fields including:-

- Businesses of all types and sizes
- Legal practices
- Those involved in Lloyd's
- Non-domiciled individuals resident in the UK

Costs

The first meeting is free and without obligation and we will discuss the likely fees involved in acting for you.
